2026-2027 Resident Educator Program

The Ohio Resident Educator (RE) Program is a comprehensive, two-year initiative to assist beginning teachers with mentoring and professional development as they start their education careers. Requirements of the program include successful completion of two years of locally determined mentoring activities, and it results in eligibility for professional licensure. The RE Program is designed to improve teacher retention, enhance teacher quality, and result in improved student achievement.

Mark Your Calendar for In-Person Orientation!

In order to begin this year's Resident Educator Program, resident educators and mentors need to choose one day from the options below to attend an orientation meeting together.
