TRAINING DETAILS:

During the two-day training, Tier 3 teams will examine building or district-wide readiness for Tier 3, engage in Tier 3 systems and teaming, build a foundation for functional behavior assessment practices, participate in behavior intervention planning, and develop data collection processes. Day 2 Expectation: Teams will bring a student case that the team can work through during the session. Note: Teams are expected to have participated in both Tier 1 and Tier 2 trainings.

COACHING SESSIONS:

Coaching sessions will be provided to all teams following the two-day training and participation in these sessions are an expectation for all Tier 3 teams to support implementation and sustainability.
