November 2024

## Grades 1-6

Elijah's favorite craft activity was making beaded pumpkins. Alex and Isaac really like dinosaurs, so their favorite activity was making a memory book about fossils. Making suncatchers was Brycen's favorite activity. Chase also liked making the beaded pumpkins.

## Grades 9-12

Kali is excited for our Thanksgiving lunch. Hannah enjoys morphology, which is learning about the origin of words. DJ liked making beaded pumpkins in Community Room. Nathan showed gratitude, which earned him a badge for this month's character trait. Jesse earned the respect badge! John is grateful for the upcoming break.

## Grades 6-8

Noah has enjoyed all the crafts that we have made in Community Room. Eben loved the Turkey Treats. Colin had fun weaving paper mats for our Thanksgiving lunch. Ben loved the Gratitude Christmas ornaments activity. Kaylen's favorite craft was making the suncatcher's. Michael liked making the pumpkins, and he also made a spider out of beads.
