

SEPTEMBER'S SCHOOL NEWSLETTER

Upcoming Events for October:

October 4 is our school wide Fishing Trip.

October 9 grades 9-12 will be going to a Career Fair at Laurel Oaks.

October 11 is an Independent Friday, students will be working from home.

October 24 will be our Fall Party. Family is invited. More info to come on the party later!

Grades 9-12

We have been reading Miss Temptation by Kurt Vonnegut. DJ thinks that it is interesting because it talks about the hardships from bullying that the pretty lady, Susanna, goes through.

If you need motivation, go to Ms. Inlow's room and outside her door is a "Take What You Need" that Kali helped Ms. Nancy make.

Nathan and Aiden have been working hard in Community Room making interesting clay projects.

Grades 7-8

All SOLC students and staff took the time to write on post-it notes the names of all 2,977 victims of September 11, 2001. Students suggested that we put the names on the wall in the shape of the United States flag.

Colin was our Paper Airplane folding champ in Community Room! He was able to figure out the complicated folds for us. Kaylen is excited to make crochet pets that we will be starting soon. Michael has enjoyed being able to get outside and enjoy the sunshine. Ben's favorite thing was making chocolate covered pretzels!

Grades 1-6

Our group was the first class to make Paper Playgrounds. We had a lot of fun creating them! Mr. Bradshaw, our superintendent, graciously is allowing us to display our artwork for people that come to the ESC to enjoy. Thank you Mr. Bradshaw!! Noah really enjoys watching the sanctuary vlog from Bellowing Acres. Elijah's favorite thing is going outside! Isaac loved making paper lanterns. Brycen enjoyed the pizza and movie lunch we had the second day of school. Alex's favorite thing so far was making the Paper Playgrounds.
