## SPRING ADDITION

### Character Counts

This year we started a new program called "Character Counts". This program recognizes students for exhibiting a set character trait. The program goes along with the concepts we work on with kids everyday and hope to strengthen during the time they are at the SOLC. It is important for kids to feel recognized when they are doing well and this program will give EVERYONE the opportunity to be recognized OFTEN.

#### Partnering for Progress Meetings

We had our first round of meetings with our families and we are so grateful to be partnering with them for student success. We talked all about student strengths and interests...it was amazing to hear from the families about their students. We look forward to our next meetings during the 4th quarter of the school year.

### SOLC Clubs

The following clubs will be open for students on Fridays. We look forward to seeing who turns out for some socializing.

- ✓ Board Game Club
- ✓ Arts and Crafts Club

- ✓ Reading Club
- ✓ Walking Club
