GREAT OAKS ITCD REPORT

Mr. Lane updated the board on the August 2015 Great Oaks ITCD Board Meeting. The following bullets are highlights from his report.

- Placement Trends – since 2010, the percentage of secondary graduates employed or continuing their education has increased from 88% to 93%. The percentage of adult graduates has decreased from 96% to 94%.
- This year, Great Oaks welcomed 56 new associates.

LEGISLATIVE LIAISON REPORT

Mr. Peck shared the Ohio School Boards Association publication, *The Link*. The following bullets are highlights from his report:

- BAD (Budget Analysis & Discussion) workshop was held in Columbus on August 10. Provided in-depth analysis of FY 16-17 State budget.
- ESEA Reauthorization Update – The U.S. Senate passed S.1177, the Every Child Achieves Act, to reauthorize the Elementary and Secondary Education Act (ESEA) by a vote of 81-17. An amendment on school choice was defeated by a vote of 45-51. This amendment would have allowed Title I dollars to follow any eligible student who would choose to attend any public or private school within their respective district.
- The US House of Representatives passed H.R. 5, The Student Success Act, by a vote of 218-213. This legislation includes provisions that affirm local school board governance. H.R. 5 would eliminate punitive sanctions under the current ESEA Law (No Child Left Behind Act), and establish a system of school improvement interventions to be implemented at the local level for Title I schools, thereby allowing greater flexibility to implement turnaround strategies for closing achievement gaps.

TREASURER DISCUSSION ITEMS

**1. Fiscal Office Update**

I wanted to give you a quick update on fiscal office happenings.

- Amanda Ely, Lisa Homan and I are processing employment paperwork for 29 **new hires**, 1 of which had their first pay on August 15<sup>th</sup> with the remaining new hires having their first pay on August 30<sup>th</sup>.

The fiscal and human resources offices have and will continue to work closely together, especially as we transition to a new HR Assistant, to make the HR/Fiscal employment paperwork process seamless and to ensure that the lines of communication remain open for situations surrounding new hires and veteran employees.

- On August 17, 2015 Mary Camp assisted Beth Justice at Region 14 with records retention and disposal of some documents that had been in storage in that facility.
- Mary Camp and I sent out the first invoices of the year for primary services during the week of August 17<sup>th</sup>. Hopewell and the ESC's services have been combined into one invoice per district. If you recall, we began this practice in FY14 with the goal of reducing the number of invoices, provide consistency in billing, and making it easier for districts to process payments to the ESC.
