Let's Make It Personal

## EXPERIENCE

Join us September 26, 2019 from 8:30 a.m. - 3:30 p.m. at Region 14 Hopewell Center to learn first hand how a Universally Designed lesson can empower expert learners.

## DESIGN

Carefully craft a digital lesson, or two, that requires students to utilize the 4 C's of Education: Critical Thinking, Communication, Collaboration, and Creation while addressing learner variability and reducing or removing barriers.

## DELIVER

Leave this session with a universally designed lesson or unit that can be implemented tomorrow.
