

LGBTQ Youth Cultural Competence

LEARN ABOUT THE UNIQUE NEEDS AND ISSUES FACING LGBTQ YOUTH, THEIR FAMILIES AND CAREGIVERS.

Lighthouse Youth & Family Services' cultural competency training helps improve understanding of the unique needs, challenges, and experiences of lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) youth. The identity-based traumas that affect our LGBTQ community members can start at a young age and affect them throughout their lifespans. Accepting and inclusive families, faith communities, educators, caregivers, and professionals are key to the success and well-being of this population.

This training focuses on promoting safe, competent, and supportive care and welcoming environments for LGBTQ young people. Most of the information provided in this training is also applicable to serving LGBTQ adults!
