

PreK, K-2 Readiness & Writing

LEARNING Without Tears™

Objectives

- Plan your instruction based on developmental stages for writing readiness and to foster important social-emotional skills in a developmentally appropriate way
- Use hands-on, multisensory activities to teach size, shape, and position concepts for pre-writing and sensory motor skills
- Use multisensory activities and music to teach pre-writing, sensory motor, and coloring skills, while building habits for letter and number formation and lowercase letter recognition
