

Tier I Challenging Behaviors- Strategies for the Classroom

Positive Behavioral Interventions and Supports (PBIS): Setting the Scene: Building Strong Classroom Environments

Region 14 SST, Brown County ESC, and Southern Ohio ESC are collaborating to deliver tiered, focused training and technical assistance for PBIS teams in Region 14.

When: March 4, March 11, March 18, March 25—4:00 p.m. to 6:00 p.m. For those desiring Ashland credit, April 15th will be the capstone presentation 4 to 6 p.m..

Where: Please register in STARS by 2/14/19 as this course will be offered at SOESC (Wilmington), Region 14/Hopewell (Hillsboro) and BCESC (Georgetown).

What: The Classroom Management series offers four modules for taking the schoolwide expectations into the classroom and four modules on active engagement in the classroom.

Who: Individuals who teach in PBIS buildings will benefit the most from this course. This course is designed for general education teachers, intervention specialists, administrators, internal facilitators, or any certified staff member.

PLEASE REGISTER in STARS by 2/14/19!
