

WHY SKETCHNOTE?

UNDERSTANDING NON-LINGUISTIC NOTE TAKING

Have you seen those illustrations depicting various concepts in journals, magazines or online? Those are Sketchnotes! While some might call these doodles, they are really so much more. A sketchnote is a visual representation of a topic that requires listening and synthesis of information. These are the critical skills needed in our classrooms. Join us for understanding the why, the what, and the how of sketchnoting so you can begin introducing this into your classroom, building, or district.
